#### East Montpelier Red Cross Notes. The Red Cross lawn party held at the

church Saturday night proved a marked success in every way. The weather man certainly was in good humor, as he fa vored the occasion with a clear sky and real July temperature. This, together with a nearly full moon, made an ideal setting for the social. The lawn was prettily decorated with Japanese lanterns and the large village flag, also much had been done inside the church in the way of flowers, flags and Red Cross emblems to make it attractive. The entertainment consisted of music, recitation by Miss Abbie Arbuckle, very creditably given, humorous readings by Connor and a most absorbing Miss Alice Delano was the guest of talk by Mrs. Connor, when she told in her usual impressive manner the story "The Angels of Mons." After the entertainment, all resorted to the lawn again, where an auction of contributed articles was held, G. C. McKnight acting as auctioneer. The enthusiasm ran high one basket of currants going as high as \$1.10. The pieced quilt brought \$6.90. Refreshments of ice cream and cake were served to some 150 people and the proceeds of the evening amounted to \$70 Much credit is due those who had the preparations in charge. They were Miss Evelyn Gallison, Miss Elva Townsend and Miss Lillian Simonds.

F. A. Woodbridge, Who Held Emigration Post Under Harrison.

Vergennes, July 24.-Colonel Walter Scranton received Sunday a cablegram from Nottingham, England, informing him of the death on July 18, of his brother-in-law, F. A. Woodbridge of London, England. Frederick Alexander Fresh Egg Prices Are High-Woodbridge was born in Vergennes July 26, 1857, the son of the late Hon. and Mrs. F. E. Woodbridge. His father was a prominent lawyer of this city and represented this district three terms in Congress. He was educated at the Vergennes high school and at a preparatory school at East Hampton, Mass. At the close of his school life he entered the employ of C. A. Booth & Co. of Vergennes, dealers in hardware, where he remained for one year. He then went to Michigan, where for several years he was Dairy Butter 42 Cents Per engaged in raising wheat.

He sold his wheat lands later and went to France and purchased the Percheron Stallelous and returning to Vergennes engaged in stock raising and agriculture. Several years after he sold his farm here and under Harrison's administration in 1889 was appointed special agent of the treasury in the emigration department at Orleans, Vt., and later was stationed at Newport, Vt., and Quebec, P. Q., serving for four years. Later, for some years he represented the Prudential Life Insurance company in Quebec. Aug. 1, 1908, Mr. Woodbridge married Miss Charlotte Adam of New Castle-on-the Tyne, England, at Woodbridge Hall, Lake Champlain, the summer home of his sister, Mrs. Walter Scranton.

All lovers of animals will shudder at this part of Harvey Johnson's story told in the August American Magazine Johnson is a 14-year-old boy who has fought "over there," and in telling of h experiences, he says:

Reserved to cover state tax due in August	9,207.55

The attention of our Depositors and the Depositing Public generally is respectfully invited to the above statement, and also to the following very important facts:

FIRST:—Note that it has loaned to the Government in its hour of need \$352,700, nearly all at four per cent.

SECOND:-It has loaned the State of Vermont to finance its needs relative to war \$10,000. This sum is loaned at 3 and 8-10ths per cent and the State tax is 7-10ths of one per cent, leaving the Bank 3 and 1-10th per cent, or London, July 23.—A serious outbreak 9-10ths per cent less than it pays to its depositors for the same money that it loans to the State.

> THIRD:-The Bank loans to Vermont Cities, Towns, Villages and School Districts \$174,944.80, 3-4 of which is at four per cent interest.

> For those who wish to know that their deposits are so invested that they are indirectly sustaining the U.S. Government, our State and our Home Municipalities, the foregoing figures will be most interesting reading from a patriotic point of view.

> To those who consider a bank's investments with reference to the safety of their own deposits, it will be most interesting to note that more than 22 per cent of the entire deposits in the Hyde Park Bank are invested in loans to the Federal Government, to the State of Vermont and to Towns, Villages and School Districts, and less than 1-6 of this sum is loaned to Towns, Counties and School Districts outside of Vermont.

> The management of the Hyde Park Bank would again call attention to the fact that this Bank continues to be the largest Bank in the world in a Country Village. If the reader of this notice is a Vermonter and one who feels a proper pride in everything in which Vermont excels, even to the extent of leading the world, he is very cordially invited to make this Bank the place of deposit for a part of his surplus-savings.

Four per cent interest, compounded semi-annually, is paid on deposits.

It is perfectly safe to send your deposits by mail. In the more than 29 years of its business, not a dollar sent for deposit to the Hyde Park Bank was ever lost. Send by personal or Bank Check, Express or Postal Money Order, or by Registered Mail, and acknowledgment will be sent you the following day.

For any additional facts concerning this Bank's investments, or methods of business, address the President. CARROLL S. PAGE, or the Treasurer, FRANK M. CUL-VER, Hyde Park, Vermont.

LATER!-Since above was written the amount loaned to Uncle Sam to aid in carrying on the war has been increased \$155,000.00, making amount loaned to our Government \$507,700.00.

Anyone who feels an interest in the growth, development and prosperity of Vermont Savings Banks, and who will, on postal card, send his name and P. O. address to the Hyde Park Bank, and will say he saw the above announcement in The Barre Times, will receive free, postpaid, some very interesting facts concerning Vermont Savings Banks.
